Price including gst	\$161.45	\$0.08	\$0.16	\$0.24	\$0.48	\$0.81
Price excluding gst	\$140.39	\$0.07	\$0.14	\$0.21	\$0.42	\$0.70

With regards to feeding rates, for general health maintenance we recommend a daily amount of 1ml per 2kg of body weight. If, however, a specific condition is being treated and results are not seen within the first 14 days of use, this can be increased. It is not possible to 'overdose' on the oil, it will just upset the stomach if too much is fed.

DAILY COST CALCULATOR - CANINE FLAX SEED FLAKE

COSTS SHOWN ARE PER DOG PER DAY

BASED ON RETAIL PRICE SHOWN

FLAX SEED FLAKE - DAILY COSTS

		at a daily feeding rate of:				
		5g	10g	15g	30g	50g
250g Pouch - will last for (days):		50	25	16	8	5
Price including gst	\$15.50	\$0.31	\$0.62	\$0.97	\$1.94	\$3.10

1.25kg Pot - will last for (days):

		250	125	83	41	25
Price including gst	\$36.30	\$0.15	\$0.29	\$0.44	\$0.89	\$1.45
Price excluding gst	\$31.57	\$0.13	\$0.25	\$0.38	\$0.77	\$1.26

Flake is a protein and Dietary Fibre supplement. We recommend 1g per 2kg of body weight as a guide, although this may need to change depending on the diet already being fed.
